OUR TRADING APPROACH

Forex trading involves buying one currency while selling another, with prices quoted as currency pairs such as EUR/USD, GBP/USD and USD/JPY.

At **MAXO GLOBAL**, our approach is built around four core principles:

01

MARKET ANALYSIS

Understand price movements, trends and market conditions.

02

STRATEGY

Develop a structured approach rather than relying on emotions or impulsive decisions.

03

RISK MANAGEMENT

Understand position sizing, leverage, stop-loss concepts and potential losses.

04

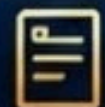

DISCIPLINE

Follow a defined trading plan and continuously learn from market behavior.

RISK MANAGEMENT

Trading opportunities come with financial risk. In Forex, leverage can magnify both potential gains and potential losses.

At **MAXO GLOBAL**, we believe that understanding risk is an essential part of becoming a responsible trader.

KEY PRINCIPLES

-  Define your risk before entering a trade
-  Understand leverage and margin
-  Use appropriate position sizing
-  Consider stop-loss strategies
-  Avoid emotional trading
-  Never trade with money you cannot afford to lose
-  Continuously review and improve your trading plan

OUR PRINCIPLE

PROTECT CAPITAL. MANAGE RISK. TRADE WITH DISCIPLINE.
